

Supply list for Houndstooth Quilt by Sue Gross

Fabric

3 or 5 yards **EACH** of a light and dark print or solid. The smaller the square you choose the more fabric you will need to accommodate for seam allowances.

Tools

A triangle ruler

Any of the following square rulers: 4-1/2 inch, 3 to 3-1/2 square ruler, or 6-1/2.

A small mat is helpful to trim blocks at your table.

Note:

Sue will be teaching a jacket class at fall flurries. She plans to use this as the jacket. So it must be quilted, but not bound.

Supply List for Twist and Turn

1. Book ; Twist and Turn by Sharon Craig. (If you can find it). This book is currently out of print, but available used on Amazon. Or maybe you can borrow it from a current member. Not necessary to have, but the examples are great.

2. Sewing machine with standard supplies, thread etc.

3. Rotary cutter

4. Rulers

A. square 8 in or larger

B. strip 6" x 12" or longer

5. Blocks (squares) to be framed. A good start is to have 4 to 9 blocks/squares.

Any size is OK, but you will find it easier if they are not too small.

A. Orphan blocks

B. Block of the month

C. Cuts from Printed fabrics (animals, flowers, etc) that show similar "item" or "themes."

6. Fabrics for the frames.

A. Cut 2 or 3 strips from the width of fabric

B. Cut mostly 2 1/2 strips, but if your blocks are small, include some 1 1/2 strips

C. If your blocks/cuts are fairly large, cut some 3 1/2 strips

D. Try to have at least 5 to 10 different fabrics.

E Your strips should be complimentary to the blocks/squares, but should not overpower them. You can be as conservative or wild as you like.

F. If in doubt, bring more strips.
