

APRIL 2022 BLOCK OF THE MONTH

Depression Block, Scrappy, 12 ½" Unfinished

Try to make the block(s) as scrappy as you can. Accuquilt friendly.

CUT: eight (8) 4" squares of off-white/creams fabrics

eight (8) 4" squares of 1930s, vintage, medium/dark fabrics

You will make 16 half-triangles. Draw a diagonal line on each off-white/cream squares. 

Matching right sides together of a medium/dark square and an off-white/cream square, sew 1/4" on either side of the diagonal line.

Cut on diagonal line, press to the dark. Square up to 3 ½".

Using the picture as a pattern, sew squares together.

TIPS: If you cut out 16 squares of each off-white/creams and medium/darks, you can split them and make two blocks!!

Lay out the block and then take a picture with your cellphone to help remember the layout.

Do Not Trim.
