

JUNE 2022 BLOCK OF THE MONTH

Applied Fish - 12 1/2 " Unfinished

Background: Cut a 13" square of print or solid fabric which has the look of river or sea water

Select a fish pattern of your choice. There are 3 different fish with these instructions. Or you can find other patterns by searching the internet with "free coloring pages – fish", coloring books, appliques, Accuquilt Go dies, old fish magazines. You can enlarge or shrink the pattern on your copier under "copy", "settings", and "resize".

Fish fabric – small print plaids. Use your favorite fusible web and fuse your fish or fishes onto the 13" square.

Finish the edges of the fish with a zigzag stitch, buttonhole stitch or the satin stitch.

DO NOT TRIM.

TIP: You may want to use tear-away stabilizer when finishing the edges of the fish.
